

What attendees have said

Excellent course enjoyed the theory & adult learning + more importantly lots of engaging hands-on sessions. Thank you!

Very useful exercise to be able to set up and run a course.

Really enjoyed this course a lot to take on board and practice. Great Faculty!

Would recommend my colleagues to attend.

Fantastic learning through review of debrief video. It was great to have a chance to ask questions and consolidate prior learning

It was good to get opportunity to actually run a session too. Good experience

This course aims to empower all participants, as educators & healthcare leaders, to embed simulation as a powerful, potent learning tool effectively into their trust.

SPRinT in-situ simulation Faculty Development course 2019-20

Module consists of 4 full day sessions over 4 months:

Advanced facilitator module Autumn 2018:

September to December 2018

Advanced facilitator module Spring 2019:

April to July 2019

www.sprintsimulation.co.uk

Advanced Facilitator Team Training Module

The Advanced Facilitator Team Training Course is suitable for senior fellows, consultants, senior nurses and allied health professionals interested in setting up and embedding an in-situ simulation programme at their own workplace.

This course is FREE for HEE North West London staff.

The SPRinT Introductory Facilitator course is a prerequisite due to the use of the Advocacy-Inquiry debriefing methodology.

Venue

Royal Brompton Hospital
Sydney Street
London
SW3 6NP

Course Overview

The module consists of 4 full day sessions held over the period of 4 months. It utilises all of the facilities of SPRinT and builds on prior knowledge of the principles of adult learning, learning cycles and how simulation complements multi-disciplinary team performance.

Participants will be involved with delivery of SPRinT in-situ simulation courses throughout this module from Day 1. Each day uses a blended approach to learning, with classroom and mentored hands-on in-situ simulation experience.

This is an advanced, intensely mentored course with video feedback for reflective learning and includes printed material and remote support of participants' own programme development. This course is suited to up to 5 candidates per course.

Day 1 - Teaching Crisis Resource Management
Deliver CRM teaching for SPRinT Course
Observation of in-situ simulation
Critique teaching from CRM session

Day 2 - Advocacy-Inquiry Debriefing Methodology
Adult Learning
Deliver CRM teaching for SPRinT Course
Formulate Advocacy-Inquiry questions

Day 3 - Critique of Debrief from SPRinT Course Day 2
Run simulation for SPRinT Course
Ask Advocacy-Inquiry questions

Day 4 - Critique of Day 3 SPRinT scenario & debriefing
Plan, set-up, and run full SPRinT Course including debrief using Advocacy-Inquiry
